

You are invited to be a sponsor of Dancing With The King™.

Dancing With The King™ is a nonprofit that raises money to provide grants to local schools for dance programs and scholarships that allow young singers and dancers to improve their skills. It is a joy to watch these young people hone their skills and to see their improvement.

Dancing With The King™ is a 501(c)(3) charitable organization as a special project of the CREATE Foundation. This means that your donation is tax deductible.

All sponsors are recognized on our website, social media and at the event. The attached document outlines the benefits that come with each level of sponsorship.

Please let us know what questions you may have. Thank you for your consideration.
